*My feelings might be wrong today. My emotions may be lying to me. My thoughts could be trying to betray me. But I agree with God's Word by declaring it aloud with my own lips! I do hereby this day align my words with what God says about me and my situation! “The Word of the Lord is right!”*

The Word of the Lord is right, I am totally and unequivocally forgiven!  
The Word of the Lord is right, my sins have been dematerialized by The Blood!  
The Word of the Lord is right, I am loved, wanted, celebrated and special to God!  
The Word of the Lord is right, I am a new Creation in Christ, all things are new!  
The Word of the Lord is right, I have a Father, a Father who cares about me!  
The Word of the Lord is right, I am blessed, yes, extremely blessed by God!  
The Word of the Lord is right, I am a blessing to my family and all humanity!  
The Word of the Lord is right, I am completely healed by the stripes of Jesus!  
The Word of the Lord is right, I am led by the Spirit, guided into all truth!  
The Word of the Lord is right, I am free indeed, free to obey God and do His will!  
The Word of the Lord is right, the devil is a liar and the father of all lies!  
The Word of the Lord is right, I am not the tormented; I am the tormentor!  
The Word of the Lord is right, I am delivered, utterly fearless, and bold as a lion!  
The Word of the Lord is right, I am care-free as I roll each of my worries onto Him!  
The Word of the Lord is right, Father listens to my prayers with rapture and delight!  
The Word of the Lord is right, the Lord is planning my prosperity and my future!  
The Word of the Lord is right, by faith I can bury my past and marry my future!  
The Word of the Lord is right, God is supplying all my needs by His riches!  
The Word of the Lord is right, uncommon favor, success and prosperity is mine!  
The Word of the Lord is right, my prayer is heard and the answer is mine now!  
The Word of the Lord is right, in all things I come out the head, and not the tail!  
The Word of the Lord is right, through Christ I am above only, and never beneath!  
The Word of the Lord is right, I am an overcomer, not an undergoer! Victorious!  
The Word of the Lord is right, I am more than before, yes, more than a conqueror!  
The Word of the Lord is right, I have the very mind of Christ on every decision!  
The Word of the Lord is right, I can and I do forgive each person who has hurt me!  
The Word of the Lord is right, I am my Beloved's and my Beloved is mine!  
The Word of the Lord is right, His banner over me is love, love, love! Only love!  
The Word of the Lord is right, I choose to praise and vocalize my thanks to God!  
The Word of the Lord is right, I can choose to possess a gratitude attitude! I win!  
The Word of the Lord is right, Jesus is coming! I'll see His face, and reign forever!  
My head and my emotions are often wrong, but the Word of God is always right!
